

## Discord guide

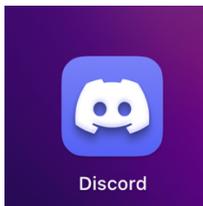

1. To download discord, go to the following site:

<https://discord.com/download>

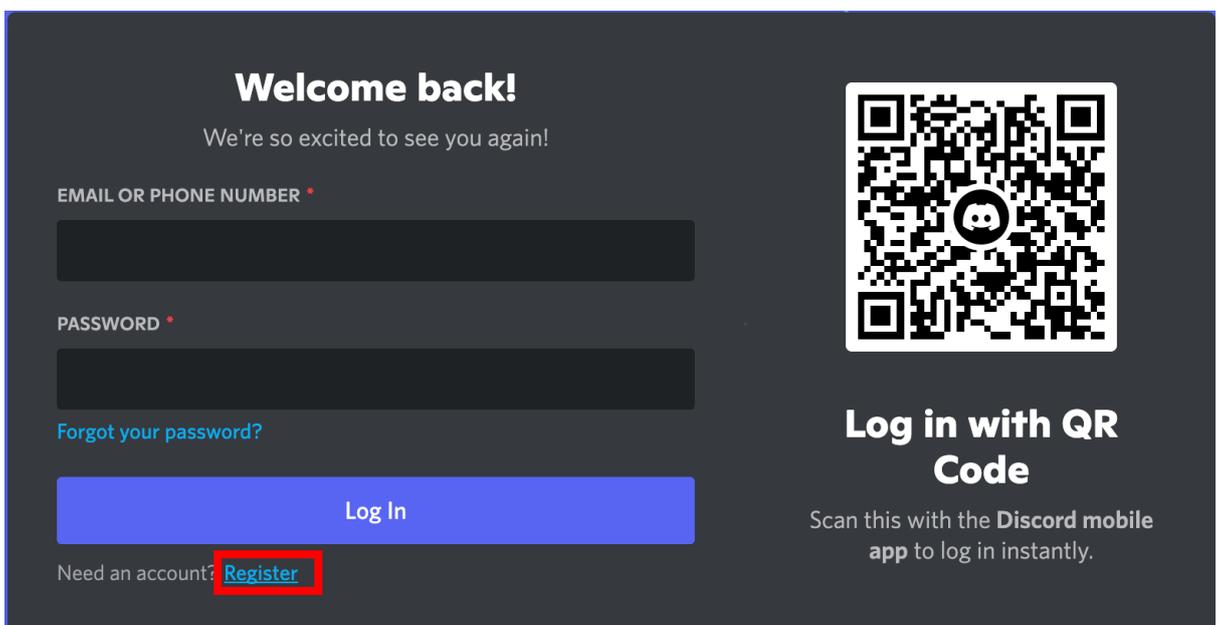

2. Press the following button to download the installation file

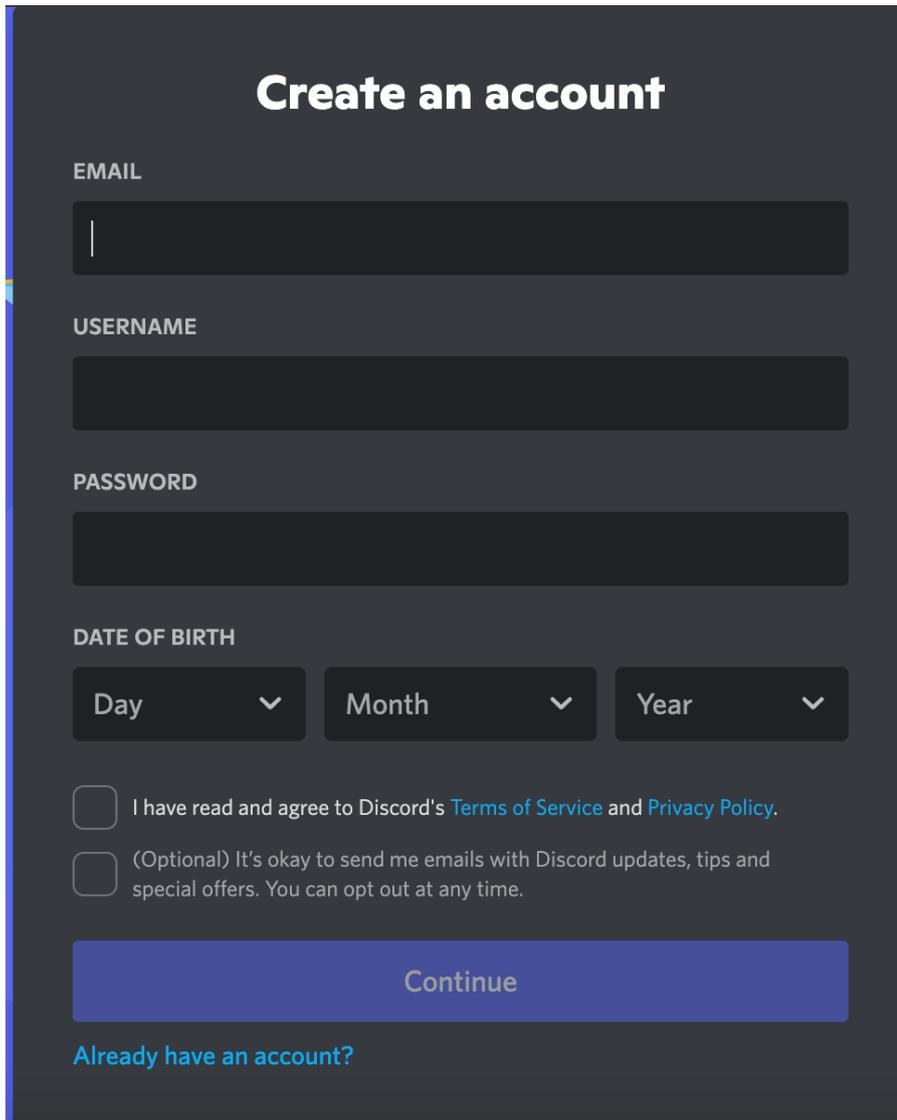

3. Open the installation file and install it
4. Once installed open the program called "Discord"

5. The next step is to create an account.  
Press the "Register" button

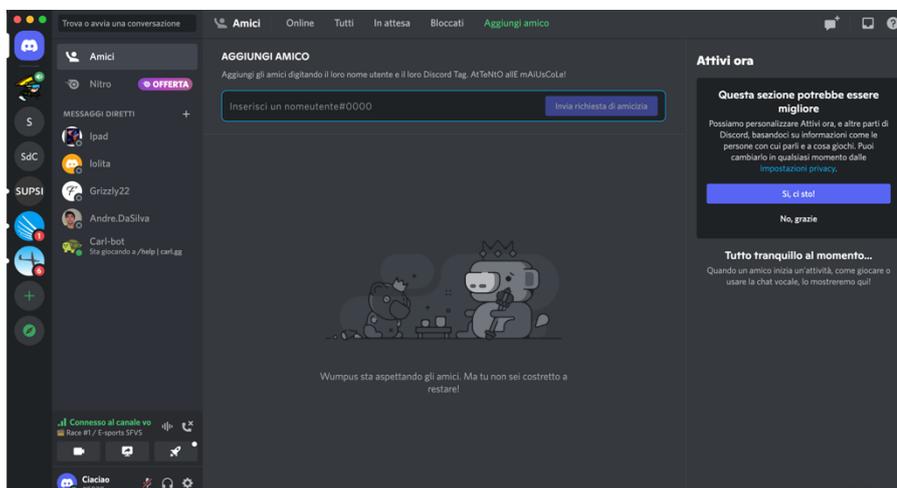

A screenshot of the Discord login page. It features a dark background with white text. At the top, it says "Welcome back!" and "We're so excited to see you again!". Below this are two input fields: "EMAIL OR PHONE NUMBER" and "PASSWORD", both with red asterisks. A blue "Log In" button is positioned below the password field. To the right of the input fields is a QR code with the Discord logo in the center. Below the QR code, it says "Log in with QR Code" and "Scan this with the Discord mobile app to log in instantly.". At the bottom left, there is a link "Need an account? Register" where the "Register" text is highlighted with a red box.

6. Fill in the data verifying the email if required.

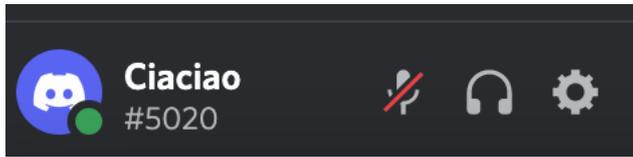

The image shows the 'Create an account' form on a dark background. At the top, the title 'Create an account' is centered in white. Below it, there are four input fields: 'EMAIL', 'USERNAME', and 'PASSWORD', each with a dark grey rectangular box. The 'DATE OF BIRTH' section consists of three dropdown menus labeled 'Day', 'Month', and 'Year'. Below these are two checkboxes. The first checkbox is followed by the text 'I have read and agree to Discord's [Terms of Service](#) and [Privacy Policy](#)'. The second checkbox is followed by '(Optional) It's okay to send me emails with Discord updates, tips and special offers. You can opt out at any time.' At the bottom of the form is a large blue button labeled 'Continue'. Below the button is a link that says 'Already have an account?' in blue text.

7. If you have done everything correctly you can access it with your login and you will be forwarded to the main screen, which will look like this image.

8. **Your ID** can be found in the lower-left corner of the main screen.

In this case, my id is: **Ciaociao#5020**
